

POTTERY WORKSHOP:

OWL WALL HANGING

Make a cute owl to hang on your wall... or make a few!

1. ROLL OUT CLAY

2. CUT OUT BODY AND WINGS, EYES, CLAWS & BEAK

3. ADD TEXTURE

Use the gumnuts, leaves or other textures to press into the clay.

4. STICK THE PARTS TOGETHER

Scratch and wet to join.

5. MAKE THE HOLES

6. PAINT

use your paints to add some color.

7. LET IT DRY

Leave it for two days to dry.

8. HANG YOUR OWL UP

Tie the string through the holes and hang it up.

WHAT YOU NEED

Air dry clay - you can get this from the big hardware store, office supplies store or craft store

A butter knife

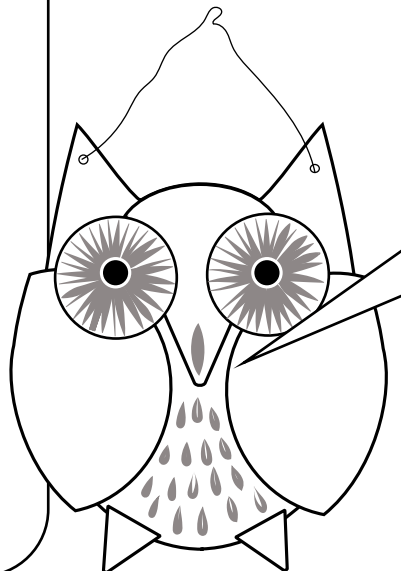

A rolling pin or piece of dowel

A skewer

Leaves, gum-nuts or other texture

Paint - watercolor or acrylic

String to hang your owl

Think about how you can make your owl look . wise . silly . happy or surprised...
